Iowa Plan Reprourement Evaluation

7A.2.18.a)

Did the bidder disclose the financial instruments the bidder would use to meet the requirements of all funds and accounts required in Section 6.6 of the RFP? The requirements are that the Contractor must establish prior to the payment of the first capitation payment and maintain at all times, three accounts or funds as follows:

Insolvency Protection Account
Surplus Fund
Working Capital

Yes, they state that they will have investments in a combination of certificates of deposit, money market funds, short-term commercial paper, and cash.

Did the bidder disclose the source of the capital required?

Yes, they stated that ValueOptions would provide the funding for these accounts.

Do the bidder's proposed instruments meet the requirements of Section 6.6 of the RFP and appear to be appropriate and adequate instruments?

ValueOptions cash and cash equivalents balance as of December 31, 2007 was only \$1.8 M. They do have \$316 M in current assets, but \$212 M is restricted cash.

Does the bidder's source of capital appear to be sufficient and stable?

It is not apparent how ValueOptions of Iowa will be able to fund the initial reserve accounts. Even there parent company FHC Health Systems has a relatively low cash balance of \$25.8 M.

7A.2.18.b)

Did the bidder demonstrate that its organization is financially sound?

We did not receive any statements from ValueOptions stating any financial highlights.

Do the bidder's financial statements and those of any corporate parent support it's claims?

ValueOptions and it's parent company, FHC Health Systems, Inc, have a very low cash and cash equivalents balance as of December 31, 2008, relatively speaking. FHC had a balance of \$25.8 million in its cash and cash equivalents account.

If the bidder is not financially sound, has it taken corrective measures to address and resolve any identified financial problems? Are these measures likely to be successful?

The bidder did not make any statements claiming what corrective measures were taken, but their Current Ratio has improved over the past three years.

Did the bidder attach the most recent two years of independently certified audited financial statements of the bidder's organization as well as the most recent two years of the financial statements for the bidder's parent company, if applicable?

The bidder provided audited financial statements for years 2005, 2006, and 2007 for ValueOptions, Inc and also provided years 2007, and 2008 for it's parent company, FHC Health Systems, Inc.

Did the bidder provide it's most recent three years of independently certified audited financial statements of it's organization as well as the most recent two years of financial statements for the bidder's parent company, if applicable?

The bidder provided audited financial statements for years 2005, 2006, and 2007 for ValueOptions, Inc and also provided years 2007, and 2008 for it's parent company, FHC Health Systems, Inc.

Do the audited statements reveal an financial problems, legal liabilities, or relevant corporate relationships that the bidder has not mentioned or that raise concern regarding financial stability, legal liability, or corporate interests?

There is a lawsuit that is pending post-trial motions as of March 2009 where a verdict was returned against the bidder along with others in the amount of \$34.9M. Value Options management believes there are numerous meritorious grounds to appeal the verdict, and intends to do so. However, management also believes that a loss is probable and therefore has recorded its best estimate of the amount of liability the company will ultimately incur.

7A.2.18.c)

Did the bidder discuss what impact the recent declines in the stock market have had on the bidder's financial stability, how the bidder has responded, and any implications for the bidder's ability to meet the requirements of this RFP?

The bidder did not discuss this issue.

Did the bidder demonstrate that recent stock market declines have not put in jeopardy the bidder's ability to meet the requirements of the RFP, including the maintenance of necessary liquidity?

The bidder did not discuss this issue.
